CORRECTION TO ENTITLEMENT ISSUE PROSPECTUS

In reference to the prospectus issued on 25 May 2009, an error was made on page 8 in *clause 4.2 Entitlement Issue Subsection (b)* and on page 36 under *Definitions – Entitlement Issue* - referring to the free attaching options being exercisable by 30 June 2010.

The correct date for exercising these options is in fact 31 December 2010.

Yours faithfully
