Global Health appoints Sharon Heley as Commercial Manager

Global Health Ltd (ASX:GLH) is pleased to announce the appointment of Sharon Heley as Commercial Manager with responsibility for Global Health's overall sales and marketing strategy going forward in Australia. Sharon will report directly to Global Health's managing director, Mathew Cherian.

Sharon has had a number of senior executive roles in the healthcare industry in Australia. Sharon's most recent role was as Country Manager at Syneron Candela Corporation Australia Pty Ltd and prior to that Sharon was the Senior Business Manager at Device Technologies Australia.

At Syneron Candela, Sharon developed ANZ revenues from \$5 million to \$22 million over a three year period, and achieved exponential growth in profits.

Sharon was responsible for overall change management, building a team of 27 professionals across 3 divisions successfully implementing Oracle ERP system, Salesforce and Service Max CRM. Sharon also led her team to enhanced client engagement through digital media engagement, workshops and seminars and created a world class education centre.

Heley said: "I am very excited to join the Global Health Team at a time where the healthcare industry is looking to improve their productivity and efficiency."

"Global Health's innovative software products are finding new customers every day and there are many opportunities for us to rapidly increase our share of the 150,000 healthcare enterprises in Australia. I am really looking forward to working with the team to build even more innovative strategies which will further drive and support healthcare engagement and better patient outcomes."

"We are delighted to have Sharon join the Global Health Team", said Mathew Cherian, "We look forward to Sharon's special brand of enthusiasm and competence driving the growth of Global Health market share".
