

## SA Health extends PAS licence to 31-March 2022

November 2020 - Global Health is pleased to announce that SA Health has chosen to extend the Software licence for CHIRON Patient Administration System and associated applications used across country public hospitals in South Australia by 12 months to 31 March 2022. The extension is made in accordance with the Agreement between SA Health, Global Health Ltd and its wholly owned subsidiary Working Systems Software Pty Ltd, which was announced to the market in August 2016. The licence is provided on an “as is, where is” basis for a fee of \$679,800 incl. GST for the 12 month term.
