## **Global Health Limited Supports Waratah in delivering Specialised Services across the Bunbury Community**

Australian Healthcare Software Provider **Global Health Limited (ASX: GLH)** (“**Global Health**” or “**Company**”) is pleased to announce its partnership with **Waratah**, supporting the company to deliver their specialised services across the Bunbury Community.

Waratah is a name you have likely never heard of or ever seen because it’s a service that requires absolute privacy and confidentiality but, the team at Global Health wanted to take the opportunity to shine a light on the amazing work that Waratah provides in the South West region in Bunbury, Busselton, Margaret River and Collie as well as Outreach Services.

### **Supporting Waratah with Global Health’s solutions**

Waratah has been working within the South West community for over 40 years. Their mission is to provide a holistic, safe and confidential service which supports and empowers people impacted by sexual assault, abuse and/or family and domestic violence.

The MasterCare team have been busy working with Waratah’s team on implementing a new Electronic Medical Records (EMR) solution which will be securely cloud hosted as well as using Dashboard as a Service (DaaS) enabling them to gain real insights to optimise services delivered.

### **Michael Davies, CEO of Global Health commented:**

“We are delighted to support Waratah in delivering specialised services for the community of Bunbury. Our tailored solution will enable impacted adults and children to access all the services more easily whilst still offering complete privacy and confidentiality.”

### **Dr Rebecca Jury, CEO of Waratah commented.**

“Waratah staff and the Board have been thoroughly impressed with the support and guidance we have received from the MasterCare team. We are delighted to be moving forward with implementation and are looking forward to the benefits this comprehensive EMR solution will bring for our clients and workers”
